Active National Grant Scheme for Sport and Physical Activity for Older People 2025

BACKGROUND

Since 2001 Sport Ireland has provided funding to Age & Opportunity for our Active Programme to help increase the participation of older people in recreational sport and physical activity. This Active National Grant Scheme for Sport and Physical Activity for Older People is one element of the extensive Active Programme which has resulted from this funding.

OVERALL AIM

The Active National Grant Scheme aims to assist in the implementation of locally developed, well-planned initiatives designed to increase participation in recreational sport and physical activity by older people. In particular, the scheme is aimed at:

- Supporting the work of Age & Opportunity's Active Programme including the network of PALs (Physical Activity Leaders) and CarePALs, and the development of Go for Life Games and other initiatives,
- Assisting local clubs/organisations/care settings to enhance existing opportunities for their members in recreational sport and physical activity,
- Assisting local clubs/organisations/care settings to start new initiatives geared at involving older people in recreational sport and physical activity,
- Encouraging sports clubs to provide new initiatives within their clubs aimed at getting older people involved in their sport,
- Assisting those working in care settings (both nursing homes and day care settings) to introduce more initiatives to increase physical activity levels of those in their care.

WHO CAN APPLY

Grants are available to all eligible local clubs, groups, care settings and organisations that promote increased participation in recreational sport or physical activity for older people as a main element of their activities.

Umbrella bodies, or their agents, are not eligible for funding under this grant scheme.

An exception to this is Local Sports Partnerships who are eligible to apply.

Sports Clubs please note: Funding for sports clubs will only be considered if the application specifically relates to older people (aged 50+ years), and they will be the overall beneficiaries of the grant.

We will be prioritising sports like Pickleball, Go for Life Games and adapted sports like Walking Football and Walking Hockey etc.

Funding for sports equipment will be prioritised for equipment specifically designed or adapted for older people.
